Meeting VFW

Since there was 1 get together in December and that was a Christmas party. No meeting minutes were taken. Therefore, meeting minutes from last meeting held Monday November 10, 2025 were read by Brian Chandler club treasurer voted on to accept and approved.

Old Business:

Treasurer report: CD \$55,000, Money Market \$103,000, Checking \$10,000. Paid out \$5100 on Pinehurst.

Groomer has been running in EGF and stated trail needs some tree trims as it gets tight in some spots.

Land: ongoing discussion needs follow up. Brian will contact Mike Delisle about one area looked at County 17 and Hwy 2 by Mayo Mfg. Discussed building needs: storage of groomer, meetings, parking for sleds. Looking for 3-4 options of at least 2 to 5 acres. If big enough possible rental on part of it to help pay. It was suggested a small start and can always add on later little by little. Other club members are welcome to investigate other areas of EGF to explore the possibilities.

New Business:

Fund raiser next Thursday January 22nd Purses and Guns. Still have tickets to sell (350 were sold last year, 200 as of now) and this will be held at the VFW. Need volunteers for Wednesday eve to set up at 6:30 on Jan. 21st and clean up on Thursday afterwards.

It was also asked if Brian would invite other clubs like Fordville, they would all be welcome to attend.
